

4<sup>th</sup> April 2018

**Ref: Holophane Europe – Prismaspace – D-Mark**

Based on existing test data and consultation with our approving body, Holophane Europe is happy to say that Prismaspace light fitting is suitable to be marked with the;

"D-Mark" symbol

As shown in clause 24.6 of EN 60598-2-24:2013 Particular Requirements –  
Luminaires with Limited Surface Temperatures.

We trust this statement clarifies this product's suitability, in a maintained environment.

Yours Sincerely

**Chris Wilkes**  
Technical Manager  
Holophane Europe Ltd.

Reference Number: **CS18010**
